

Aird Dorrance makes shopping for kitchen and bath fixtures fun

Aird Dorrance Inc. has a successful plumbing, heating and industrial supply business at 202 Kent Falls Road, Morrisonville and now offers a 6,000 sq. ft. interactive showroom in Ballston Spa.

Aird Dorrance was founded in 1960 by Aird and Barbara Dorrance. Frank and Sheila Dorrance joined the ownership team in 1995.

Five buildings in Morrisonville hold an inventory of over a million items including bathroom fixtures, heating systems, water systems, flooring, and plumbing supplies. It is a Premier Kohler Registered Bath Showroom and its trained staff can help customers plan a new bath or a remodel.

The new showroom in Ballston Lake opened last May with a grand opening party attended by building in-

dustry professionals. The showroom has interactive displays, Kohler console tables, vanities, sinks and tubs of different styles and color, and

cabinetry. In addition to Kohler, Moen and Delta, the showroom features many upscale items that are difficult to find.

Aird Dorrance employs 40 employees, all of whom are factory trained and certified

by major companies in the industry, such as: Kohler, Wirsbo, Aquapex, HCT and Aquasafe.

The Morrisonville showroom is open Monday through Friday from 7:30 am -5 pm and on Saturday from 8 am -5 pm. Phone 518-563-4916 or fax at 518-563-4546. The Ballston Lake showroom is located at 43 Round Lake Rd, Ballston Lake. Phone 518-899-0049 or fax at 518-899-1014.
